

## SCORING

Each team must arrange for a **RESPONSIBLE** and **COMPETENT** person to score every match in which their team plays. The scorers must sit side by side at the score-bench and check each other's scores. One team to do the scoresheet, the other the electronic board.

### STEPS TO FOLLOW:

1. Please check that you have the correct score-sheet before filling in player's positions.
2. Player positions must be completed for each quarter or player will not be credited with playing that game. This could affect finals qualifying. If a player is not playing, place a line in each quarter beside their name. **DO NOT CROSS OUT PLAYER'S NAME.** (refer to example.)
3. Please record centre passes. Use team's initial or initial of a distinguishing uniform colour to identify centre pass. Start a new line for each quarter. (refer to example.)
4. Please make sure that you score goals under the correct team name. Record against the player who shot the goal. (either GS or GA.) Mark off the next number on the progressive score. (refer to example.)
5. Total goals at the end of each quarter and record in appropriate box. Place a bracket around the last score for each team. (refer to example.)
6. At the end of the game, tally all the goals scored, place a circle around the last goal scored for each team on the Progressive score and record total goals for each team in the Final Score box on your score-sheet.
7. At the end of the game, Captain, Umpires and Scorers are to print their name and sign the score-sheet. (refer to example.)
8. Umpires are to return the score-sheet and board to the Netball Room after recording Best Player votes.
9. Scorers are an official part of the match and are not permitted to make audible comments on umpiring decisions or other aspects of the game. They are to appear impartial, therefore are unable to barrack from the score-bench.

Please refer to the example score-sheet. The association expects every score-sheet to be completed as per the example. Every team will receive a copy of this notice and are responsible for ensuring that their scorers are informed and aware of their duties. See also Paragraph 17 of the By-Laws.
